

SWOT Matrix

Team 10 Angelina Cho Kojo Dokyi Oshin Shakdwipee Thomas Park Zeng (Josh) Chen	Strengths 1 Academic Excellence and Research Opportunities 2 Interdisciplinary (cross departments, e.g. Tech and Arts) Research and Collaboration 3 Diverse and Inclusive Campus Experience	Weaknesses 1 High Tuition Costs 2 Comparatively Low Name/Brand Value (i.e. compared to institutions like MIT, Ivy League Schools, etc.) 3 Lack of Vibrant Campus Life/Experience
Opportunities 1 Growing Demand for Tech/Analytics Talent 2 Growing Demand for Online Learning and Remote Education 3 Growing Demand for ESG Initiatives	SO Strategies 1 (S1 / O1) - Utilizing CMU's research and resources that have driven its academic excellence to establish the university as a leader in AI and machine learning. 2 (S1 / O2) - Enhance and expand CMU's existing online learning platforms to meet growing demand and extend the university's global reach. 3 (S2 / O3) - Encourage and promote collaboration across departments to leverage diverse skill sets for developing effective and innovative ESG initiatives.	WO Strategies 1 (W1 / O2) - Offer affordable online certification programs to provide low-income students with more accessible options. 2 (W2 / O3) - Differentiate the school by establishing it as a leader in sustainability and green initiatives. 3 (W3 / O3) - Develop sustainability initiatives to enhance student engagement and enrich campus life.
Threats 1 Competition from Reputable Universities with a specialization in the Tech. Field 2 Rising Costs of Student Tuition Due to Inflation 3 Alternative Online Learning Platforms and Education	ST Strategies 1 (S3 / T3) - Promote CMU's diverse and inclusive campus experience to highlight the opportunity cost for students who opt for online or remote learning platforms and miss out on campus life. 2 (S1 / T2) - Justify CMU's high tuition costs by highlighting its academic excellence and strong post-graduation outcomes, offering a high return on investment. 3 (S2 / T1) - Leveraging interdisciplinary strengths (e.g. technology, arts, humanities, etc.) to promote cross-departmental collaboration and differentiate from competing schools that solely specialize in technology.	WT Strategies 1 (W1 / T2) - Investigate new strategies to enhance funding for student scholarships and financial aid. 2 (W2 / T1) - Establish new global partnerships and strengthen existing ones to enhance international presence and reach. 3 (W3 / T3) - Focus on increasing funding and efforts to host more social networking events on campus.
